

09 Aging and Disability Budget Coalition meeting:

When: Wednesday May 27th
3:00 – 5:00

Where: 1010 Mission Bayanihan
Community Center (@6th)

Lets put together our strategy to
advocate for community funding and
fight the proposed cuts.

The city budget will be in the
supervisors' hands very soon so lets
work with our allies to prevent the
destruction of our service communities.

It is not too late to make a difference!
