

BUDGET JUSTICE RALLY:

HOUSING NOT HANDCUFFS/FAIR WAGES NOT CAGES

Mayor Ed Lee will release his proposed City budget on June 1st. The City's budget should **INCREASE RESOURCES** to address the **UNMET NEEDS** of the City's most **VULNERABLE** populations.

Date: Tuesday, May 26th 2015

Time: Rally and Action at 12 PM

Location: San Francisco City Hall, Polk Street Steps

The City should loosen purse strings to bring us **TOGETHER** because San Franciscans are living worlds **APART**.

One world is secure in **PENTHOUSES**.

Another world struggles to **SURVIVE** in the face of growing **INEQUALITY** and **DISPLACEMENT**.

Right now the San Francisco budget is **BOUNTIFUL**.

We must **SHARE** the **WEALTH** so the people who make our city **BEAUTIFUL** and **PROSPEROUS** can **AFFORD** to stay in their **HOMES**.

SERVICES, JOBS and **HOUSING** keep us **SAFE**, and should be prioritized over police and potholes
