

# THE SILVER TSUNAMI IS COMING!

**SAVE SENIOR AND DISABILITY  
COMMUNITY SERVICES!**

**WHEN: TUESDAY MAY 12  
10:30 AM- 12:30 PM  
WHERE: SF CITY HALL LAWN  
POLK AND McALLISTER STREETS**

Right now Mayor Newsom and the Board of Supervisors are creating this year's City Budget.

Join CASE (Coalition of Agencies Serving the Elderly), Planning for Elders, Senior Action Network, hundreds of Seniors and People with Disabilities for a festive rally and lunch on the lawn of City Hall to demand that our programs, and lives are saved.

**By 2030 1/5 of all San Franciscans will be over age 65!**

San Francisco is NOT ready for this fast approaching wave and we urge our politicians to fund, not cut, senior and disability community services NOW.

**Come help us create a tsunami of seniors to demonstrate our power!**

**★ Music**

**★ Street Theatre**

**★ Speakers**

Following the rally we will visit the Mayor and Supervisors with a tidal wave of advocacy.
